Use for testing the game...

### **WARPWAR BASIC MAPS 1-4 plus NEW 5-9**

After this section are a set of maps that can be printed out then cut out along the doted line. These maps can be placed in any order with each other. It is best to print them on report cover card or glossy photo paper. Tape with masking tape to keep maps together.

There is 3 right side edges with players aids on them. Turn track and current event. Cut out and add to the right side.

Half hexes are not playable.

Maps 7, 8 under construction....

### **Counters 4 sets**

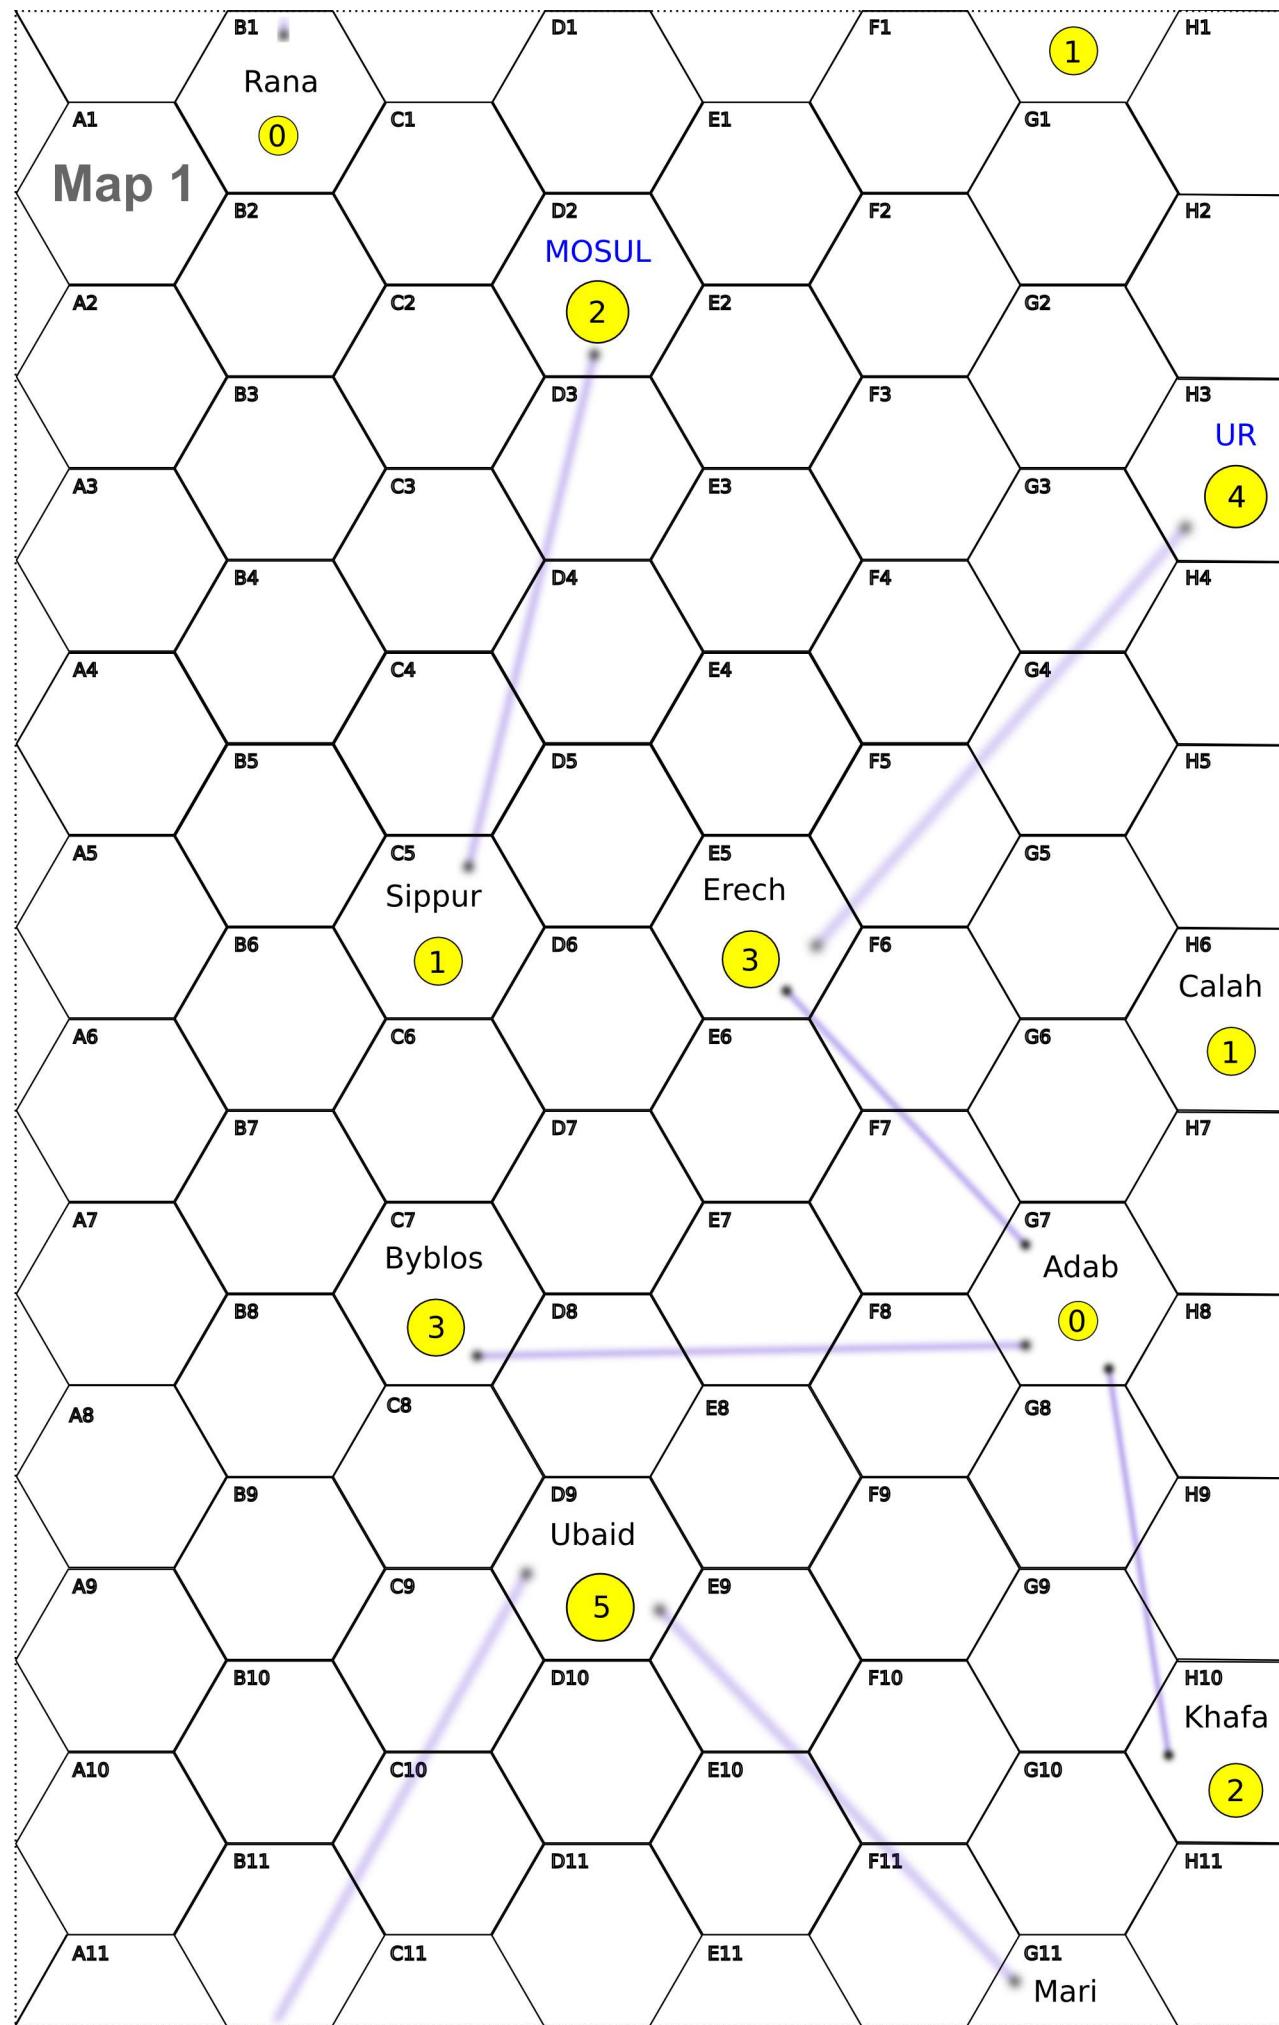

Cut out counters with paper cutter if you have one. I does a straighter edge.

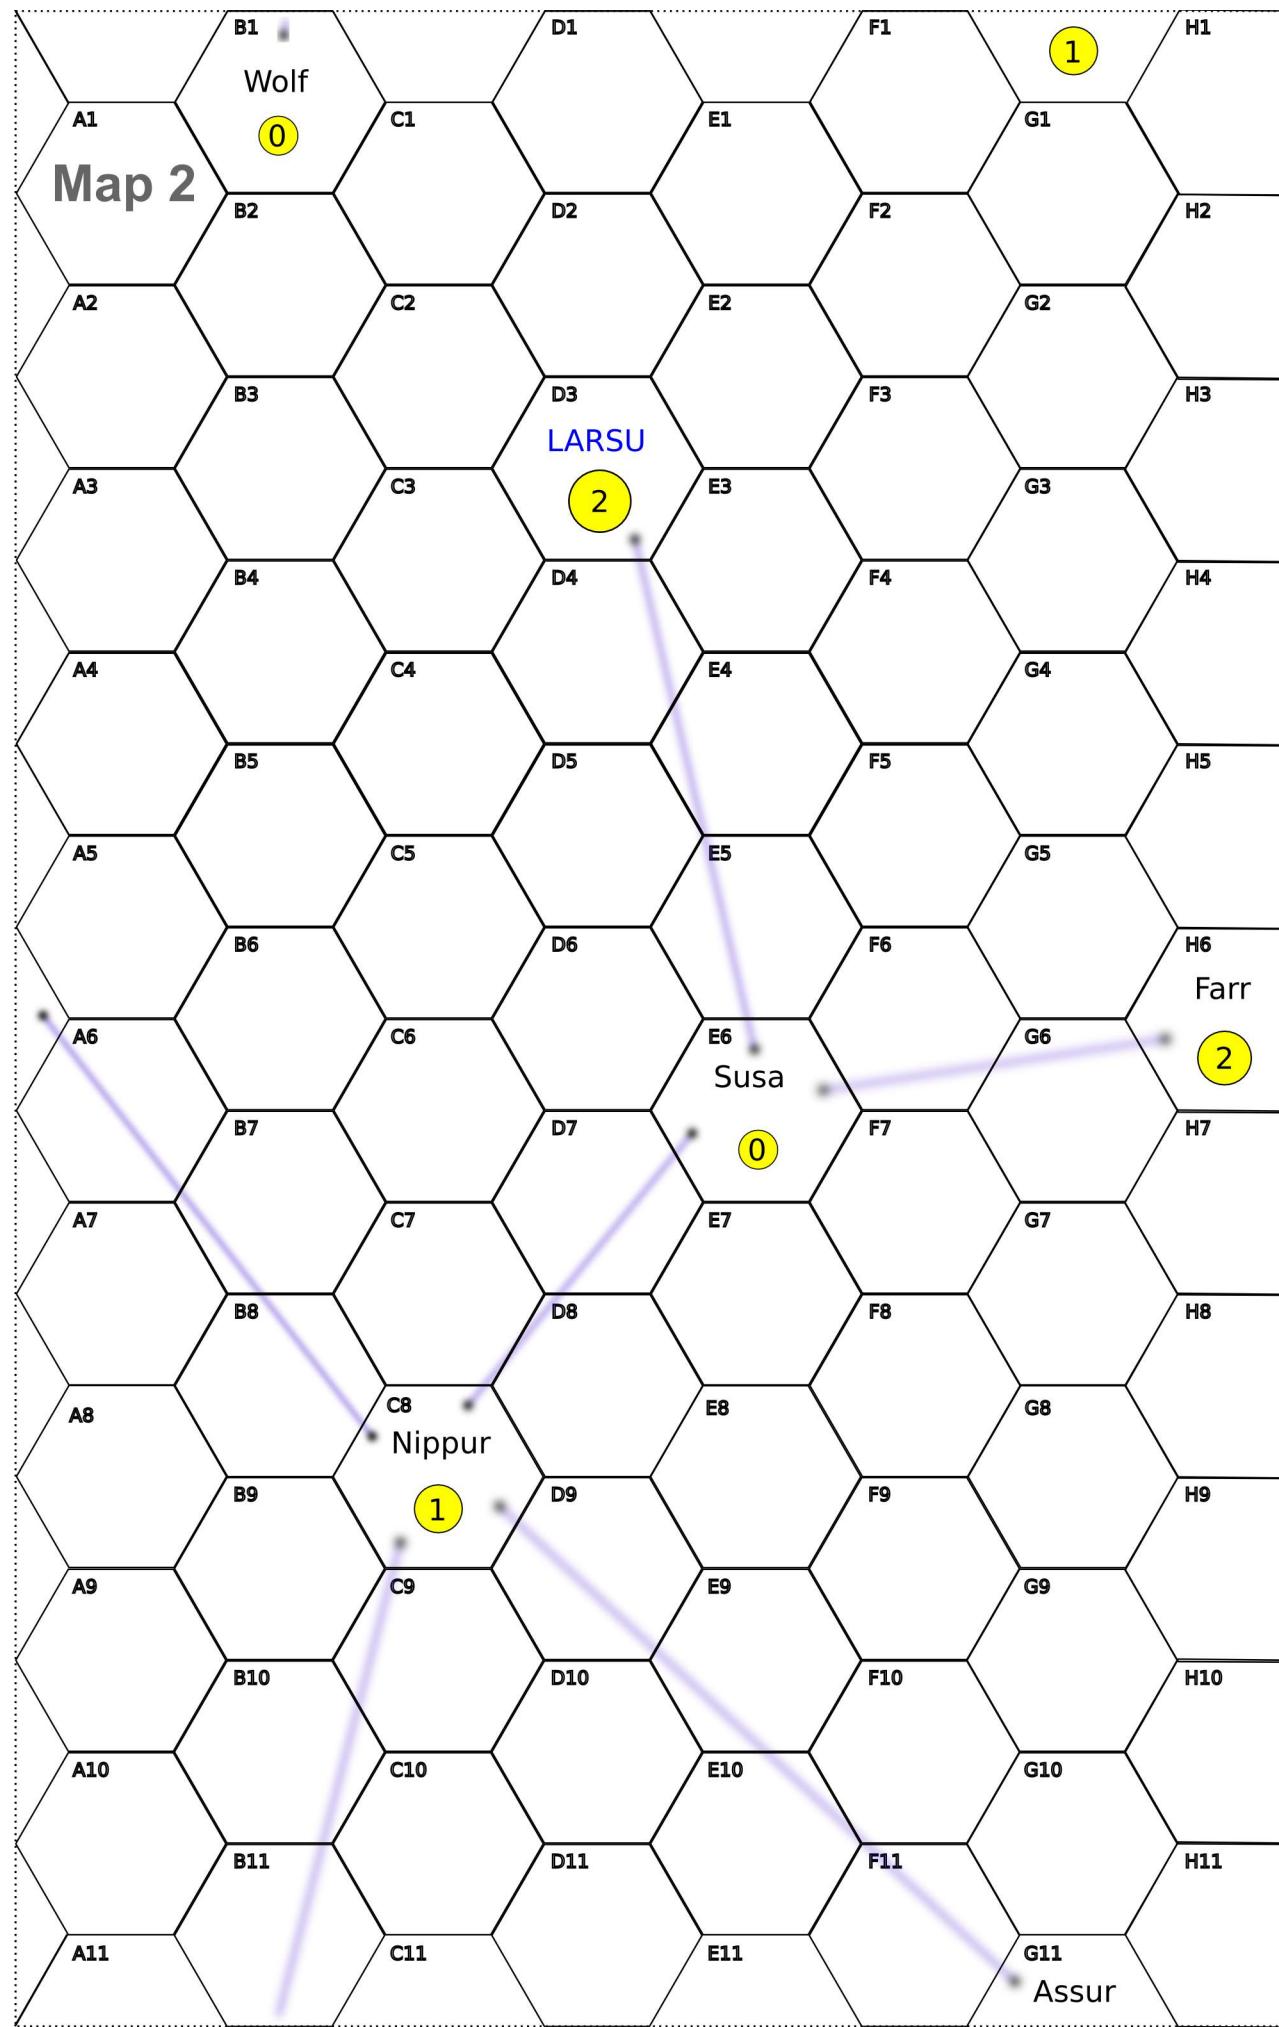

Play test and feed back review, comments. If you want to help post email me.
